We reserve the right to make changes in our products without notice.

A-B-C groups are represent the fabrics and artificial leathers also their pricing which are found in Casella colour chart. In all artifical leather and fabric options to be used except Casella colour chart, artificial leathers and fabrics which their prices up to 4\$ per meter are belong group B, if prices above 5\$ per meter it belongs group C. In all artifical leather and fabric options to be used except Casella colour chart cannot be pricing from Group A. For real leather, it just used for frontside of chairs, backside is made from artificial leather.
